

Mid-Semester Evaluation Prompts

November 6, 2014

- What aspects of the lectures have been most helpful?
- What aspects of the lectures have been the least helpful?
- Is the pace too fast or too slow?
- Is the material too difficult or too easy?
- How do you feel in the classroom environment? In what ways is the atmosphere a good atmosphere for learning? How comfortable are you about asking questions in class?
- Comment on your own participation. In what ways have you contributed to the quality of learning in the class?
- How approachable/accessible is Prof. Kapelner? How have you taken advantage of his availability?
- Comment on how much you feel you learn from the homework assignments.
- Estimate how much time you spend on the homework assignments.
- Estimate how much time you spend weekly on this course total.
- Is there any way in which you would change the course so far? Please give a suggestion or two.
- Is there anything else Prof. Kapelner should know?
- To the best of your knowledge, is there cheating in this course? Describe the forms of cheating but do not implicate students by name.
